

it on unanimous consent, but you are correct, it does take a vote. Savage, Senator Savage.

SENATOR SAVAGE: Am I in order to make my request now?

SPEAKER: Just a moment, let me dispatch this one first. Is there any further discussion of the motion to return L.B. 138. All those in favor of returning the bill, vote aye. All those opposed vote no. Motion is to return L.B. 138. Senator Lewis voting aye. Has everybody voted? Clerk will record.

CLERK: 38 ayes, no nays on the motion to return.

SPEAKER: 138 then is taken off of final reading and returned to select file. Take that up later this morning, when we get to select file. Now, Senator Savage, did you have a motion?

SENATOR SAVAGE: At the request of the Governor, I am asking the return of L.B. 102 to select file for an amendment.

SPEAKER: Is there any further discussion of that motion? Senator Savage, do you care to give some little explanation of, for the reason for the motion?

SENATOR SAVAGE: Well, the Attorney General says we needed to put three more words into the bill to make it legal and the Governor called me yesterday. The bill is on his desk. We passed it last Monday and I'd like to have the language perfected in the bill so that there won't be any trouble about it.

SPEAKER: You've heard Senator Savage's motion. Chair needs a second. Thank you. Any further discussion? Question is shall the bill be returned to select file for a specific amendment? All those in favor vote aye. All those opposed vote no. Senator Lewis voting aye. Have you all voted? Clerk will record.

CLERK: 39 ayes, no nays, 10 not voting.

SPEAKER: O.K. L.B. 102 is returned then to select file. Senator Simpson, for what purpose do you rise?

SENATOR SIMPSON: Mr. President, I'm going to question the procedure in bringing 102 back. I think it was on the Governor's desk, had been passed on final reading and I think that we would have to first ask for it to be returned from the Governor's office, then we would have to reconsider our action in passing the bill and then the third motion would have to be made to return it to select file.

SPEAKER: Thank you. The Chair accepts your suggestion. We'll look at it later. My problem was this morning, was that I walked in and there was the situation. Thank you. Move along then to the final reading of L.B. 163. Clerk will put the number on the board, 163. This will be the final reading of L.B. 163.

CLERK: Engross Legislative Bill 163. Introduced by Senator Kremer, Rasmussen and Stromer. (bill read).
